A Camp Discovery Summer

The word summer triggers a sense of freedom in children, a chance to have fun and discover in a relaxed and enjoyable atmosphere. Our mission at Camp Discovery is to enrich the physical and social life of each camper in an environment consistent with Montessori principles. We will inspire, challenge and excite campers as they explore new adventures and develop lasting friendships.

What Parent's Are Saying

"I had expected my son to have a good time playing with the other kids at camp but when he came home talking about rescue animals, geodes, chemical reactions, waterslides, digging for fossils, trips to the creek, puppet shows, animal shows and so much more I was blown away."

Burns Family

"The overall environment is nurturing with wonderful teachers."

O'Meara Family

"I feel my daughter learns something new every day; whether it is camp in the summer or during the school year. I am happy we chose Montessori. I share this with every parent who asks me. We made the right decision!"

Sullivan Family
